It’s August already and the school year feels like it is flying past. The students are doing a fantastic job of fitting a large workload in whilst participating in events such as the Sports Carnival. The next few weeks will be an important time where students will be sitting assessments and completing assignments. I look forward to the students putting in 100% effort!

Karara students enter into Ekka Garden Competition

The students at Karara have entered into this year’s Ekka School Garden Competition. This year’s theme is ‘Australian Landscape’. Students are to incorporate their chosen Australian landscape into their wheelbarrow and we have chosen ‘The Bush’. The students created a fantastic landscape of a “Bush” farm to reflect the area that we live in and to educate other children on where food and produce come from. The wheelbarrow will be on display during the Ekka.

Karara State School Raffle Drawn

The Karara State School raffle was drawn last Thursday and the 3 lucky winners have been notified. Congratulations to the winners and thank you to everyone who has donated and supported the raffle. Your support of Karara State School is greatly appreciated. We will be running another raffle later in the year.

1st – P. Wilson  
2nd – Kathy Armstrong  
3rd - Shona

School Opinion Surveys – Parents please complete before 08th August

The School Opinion Survey due date has been extended till this Friday. The survey allows members of the school community to have their say about how the school is going on a variety of issues including safety, curriculum, school direction and how we could improve. The parent surveys only take 5 minutes and are completed online.

Warwick Country Small Schools Sports Carnival

On Friday, all students will be travelling to Hamilton Park in Warwick for the remaining events. The day will see the students compete against other schools including Yangan, Freestone, Tannymorel, Maryvale, Murray’s Bridge and Wheatvale. Friday will be very busy and any parent helpers would be greatly appreciated. Please let Mr Low know if you are able to assist.

Classroom News

Student of the Week

Congratulations to Lachlan Wilson who is this week’s Student of the Week. Lachlan received the award for showing great TOLERANCE. Lachlan demonstrated tolerance when hearing views which differed from his own, but he accepted the differences. Well done Lachlan.

Karara School Values

The second of the Karara School Values is Tolerance. Tolerance is defined as “The ability or willingness to tolerate the existence of opinions or behaviour that one dislikes or disagrees with”. This is an important value as Diversity is the cornerstone of today’s society. Australia is one of the most diverse societies in the world, which is strongly reflected in the classroom. Today’s students differ in age, race, religion, and culture and in the classroom, students are constantly surrounded by all these different characteristics which helps make it a wonderful environment to be taught tolerance.

Tuckshop

There will be no Tuckshop this week
