I returned to school this week a proud Principal. The students all represented Karara and its community well. It was great to see the students encouraging each other, working with teamwork, going outside their comfort zones and greeting the camp staff and other schools with a friendly smile. A big thanks also goes to Ms Whear who attended the camp along with myself and ensured the students had a great time and kept them safe!

Kyle Low

School Camp

What a fantastic week the students had whilst on camp last week. The students, equipped with all the essentials for getting wet and dirty, travelled to Lake Moogerah in the soaring heat. Day 1 saw the students begin the camp with ‘The Mud Course’ which involved several obstacles that included swimming through mud. Each student completed the course several times and even the teachers got dirty!

Other highlights of the camp included Kayaking to the Gorge on Lake Moogerah, Abseiling off a 20 metre cliff, Night Hike and Bush Survival. The students represented the school well and all received awards at Monday’s assembly.

Friendship Award – Lachlan Wilson
Leadership Award – Joshua Wilson
Responsibility Award – Laura Carter
Encouragement Award – Jarred Anderson
Effort Award – Sophie McGovern and Coby Cherry
Attitude Award – Abby Timbs

A massive thank you to the school’s P and C for donating a large amount of money to help the students attend camp.

Tuckshop

There will be Tuckshop on Friday this week

SOLAR POWERED SNAKE REPELLER WITH LED LIGHT – School Fundraiser

Solar powered snake repellers are able to transmit irritating sound frequencies that can be heard by snakes as they weave through the ground. Emitting at around 400-1000 Hz, this vibrating pulse will be sure to irritate and repel the unwanted guests. The Karara P&C will be selling the snake lights in Packs of 4 for a great price of $80. Orders are due by Thursday 27th November.

Contact the school if you are interested.

Specifications
- Effective Range (each repeller): 25m radius
- Sound Vibration: emitted for 3-seconds every 50-seconds
- LED Timer: Up to 4hrs after sunset
- Power Supply: Solar Energy Cell 4V

Classroom News

Student of the Week

There was no Student of the Week last week because of camp.

Student Leader Applications

Applications forms for the 2015 Student Leaders have been sent home for eligible students (year 5-6). Being a School Leader is a fantastic opportunity and assists with developing important life skills. Application forms are due back at school by 28th November.

World Teacher’s Day

Last Friday was World Teachers’ Day. WTD is celebrated in more than 100 countries, World Teachers’ Day acknowledges the efforts of teachers in an increasingly complex society. Thank you to the hardworking teachers at Karara State School.

School Values

This week’s emotional management skill is ‘Taking Others’ Perspectives’. This skill allows students to try and see an event or incident in the view of someone else. We often are too quick to react without thinking if what we thought we have witnessed or experienced was actually what happened.

Karara Campdraft

There will be a meeting for the Karara Campdraft on Tuesday November the 11th at 7pm in the Karara Hall
