Principal’s Message

National Teacher Aide Appreciation Day is coming up in a few weeks. We are lucky at Karara State School to have such a dedicated, friendly and open group of Teacher Aides to help educate the students each day.

The role of a Teacher Aide is imperative to the overall success at any school and their role includes; educator, facilitator, teacher, mentor, cleaner, gardener and much more. I hope you will join with me in thanking the fantastic Teacher Aide staff at Karara State School in the coming weeks.
