Hair-Loss...

Hair-Loss...

The Karara State School Project Club has raised over $150 for The World's Greatest Shave. This great achievement means the end for Mr. Pedley's beautiful head of hair. The amount of money raised means that Mr. Pedley will be walking away from the shaving with patches and clumps on his head. Mr. Pedley has volunteered to adorn the new style (soon to be a fad worn throughout Karara...) for the remainder of the school term. Mr. Pedley will be receiving the chop from Mrs. Whear who has happily volunteered her hair cutting abilities for the event. The chopping is scheduled to happen next Tuesday at 2pm, and everyone is welcome to attend. Again, congratulations to the Project Club for raising a significant amount of money for a great cause.

School Banking

If you have School Banking please bring it into the school so Kylie can have it deposited.

Swag-Out

As the term draws to a close Karara State School's Project Club has decided to host a Swag-Out under the stars (sort of). Students will have a chance to spend the night at school next Thursday underneath the undercover area. During the night there will be a sausage sizzle, movie on the big screen, video games and heaps of games being organised by the Project Club. Students will be asked to bring a tent or swag, a extra set of clothing and any other comfort items they will need for a good ol'fashion sleepover. A sausage sizzle at around 7pm will be served and a Canadian style breakfast will be served in the morning on Friday. Parents are more than welcome to attend the event or stay as long as they wish. Lights will be turned out no later than 11pm with an early morning breakfast being served at roughly 8am. Parents are also welcome for breakfast.

Students of the Week this week are:
Tia Osman
&
Amy Whear

Congratulations!
Free Dress Day

Above: Jacob and Rori run back to the class after lunch.

School Camp!

School camp has been booked for the week of November 6th to the 9th. The years 3-7’s will be headed to Moerton Island to experience some amazing adventures. The camp schedule includes sand-boarding, snorkeling in shipwrecks, hiking, swimming in freshwater lakes, investigating swamp lands and taking 4x4 tours (to name a few). All meals will be served buffet style and all students are required to bring bedding. They will be sleeping in large tents, and (not to worry parents) there will be showers... Or maybe that’s something I should have worried about...

Mrs. Benham and myself will be accompanying the students on camp, while the Prepps stay back and attend school. Mrs. Batterham has offered her expertise and will be teaching the Preps in the classroom for the four days when the rest of the school is away.

Students will have no need of money on the trip and will not be permitted to bring it.

Reasons behind this are that occasionally lost money can cause friction to a trip that is all about fun.

More details will follow regarding the camp and parents will receive a full itinerary with all contact details in case of emergencies.

If you have any concerns about the camp please contact the school.

It has been decided that although the Preps will not be heading on camp they will be heading on several Day Trips to various attractions. These trips will be decided early on in Term 2.

Show Holiday

The Warwick Show holiday is this Friday. Therefore there will be no school. School will resume Monday 26th March.

Parent Information Session

Apologies go out again for the cancellation of the Information Session. The session will be rescheduled for early Term 2. Thanks for your understanding.

Tuckshop

Tuckshop will be on Thursday this week as there is no school on Friday.

Fundraising News

Please collect all your cans for the school. There will be a bag at the front of the school to drop your cans in next week. Every can helps!

Thanks, Kerry
