Week Three

Term two is flying by and students are doing a fabulous job in and out of the classroom. They continue to be focused and enthusiastic about all learning opportunities presented to them. Staff also continue their hard work making sure a very comprehensive and fun curriculum is delivered to every year level.

All of this hard work by staff and students alike will be tested Week 5. Week 5 or May 14th is when every school across Queensland will be delivering the NAPLAN test. All students in Years 3, 5 and 7 will sit the test which assesses literacy and numeracy.

This can be a stressful time for students so it is important for parents to offer as much support as possible to the students while writing (not that you don’t already). The school will be giving the students regular breaks while writing and will be offering fruit and veggie snacks throughout the day to help them keep their stamina and focus. If possible, students need to be well rested and full of energy to write the tests. Research shows that children who are well rested perform better than children who are fatigued. I know with everyone’s busy lives and extra-curricular activities students are involved in, it sometimes makes it hard to conform to regular sleeping patterns, but Week 5 will be vital to do so.

If you have any questions regarding NAPLAN please pop into the school and I would be happy to have a chat with you about it.

Student Work Edition

On the following page parents will see an example of some exemplary work being done by the students of Karara State School. Although many of the samples shown don’t do full justice to what is happening in the classroom; they offer a snapshot of the great work students do on a daily basis.

Student of the Week this week are:

Tia Osman
&
George Benaham
Congratulations!
StudentWork Edition

Above: Students are doing some great work in the classroom! Have a look below.

Witnesses have noticed that he has also pushed the students into the fence to pass to other team members on his side. Joshua Wilson reveals he was a victim of this disgraceful behaviour.

The photo below supplied by an insider exposes Mr. Pedley's actions.

Principals in schools all over Australia should be teaching their students the right thing to do. "Principals should be responsible role models" concluded George Benham. "This sort of behaviour that Mr. Pedley has shown, shows Karara up and has to be stopped immediately." The future of Karara State School hockey games is left hanging for now.

Tuckshop
Tuckshop will be running on its regular time this week of Friday.

P&C News
There will be a P&C meeting Monday May 14th at 3:30pm.
Everyone is welcome to attend!
