Website to go Live Tomorrow

Website

Karara State School will see its new website go live tomorrow. It has been a work in progress for the last few months and has finally been approved by the Websites for Schools Team.
The website will at first feature all necessary information vital to depicting the school. It will later evolve and encompass much more information including a P&C area, Student area, and a virtual classroom area.

The website will be kept up to date by myself and Kylie Davis.
Any suggestions to further the website development are welcome. Please contact the school anytime to have a chat to myself or Kylie.

Tank Installation

The school's installation of it's two new tanks is complete. The tank pad construction was finished over the weekend and Wayne Fearby came to plumb them in yesterday. The tanks look great and will help collect additional water from the roof of our massive tennis court.
The school would like to acknowledge the following people for their contribution to the project. Without these volunteers, the tanks could not have been completed.
Thanks goes to Russell Whear who organised and donated the aggregate needed for the pad. Thanks to the Batterhams for their help and tipper tray. Also a massive thanks to the Davis family who transported the excavator and spent both Saturday and Sunday at the school installing the tanks. Thank you to all parties for your selfless contributions.

Garden News

On the weekend the rotted sleepers were also removed from around the library building. With removal of the sleepers it has been discussed that the sand stone donated by Russell Whear be used to replace the old sleepers.

**Materials Needed**

Karara State School needs your help! The school is running very low on Preppie construction material. We are looking for boxes, tubes, cardboard etc. so the Preppies can keep on building. If you have anything you can donate, please drop it by the school.

**Tuckshop**

Now that it is cooling off, it would be nice if the kids could enjoy a warm lunch. Beginning on Wednesday the tuckshop will be doing a Warm Wednesday theme. For $1 the kids get a cup of soup and a bread roll.

This will start next Wednesday and with the following soup choices the following two weeks:

**Week 1** - Chicken Noodle  
**Week 2** - Pumpkin Soup

Another list will be circulated for the beginning of next term. If you want to take part in warm Wednesdays the same ordering procedure as regular tuckshop applies.

**Karara School Cookbook**

The cookbook is looking for some good home recipes and favourites that you would like to share. Meals, cakes, jams, pickles etc. are most welcome. Please forward any recipes to Kerry Wilson at jonandkerrywilson@live.com.au or place it in post box 38 at the Karara Pub.
