Flu Season!

Just a friendly reminder to parents that flu season is here. The school has had many absences due to illness. Kids have been reminded at school not to head outside during morning and afternoon teas without jumpers. Students are also made to wash their hands at every turn. Hand sanitizer has been purchased to aid in the killing of germs and students utilise it after morning and afternoon teas.

Wheatvale Sports Carnival

Despite a depleted roster of athletes Karara students represented their school with pride at Wheatvale’s Annual Sports Carnival. Many students took home ribbons for placing in their respective events. Although Karara did not walk away with any trophies, the day gave the students a chance to practise up for the day that really counts on August 10th at Hamilton Oval. Congratulations to all our budding superstar athletes!

Thank You Wheatvale SS

Another big thanks goes out to Wheatvale State School, it’s staff and parents. Karara students thoroughly enjoyed themselves during the carnival and are already looking forward to next year. Parents have also remarked that revenge is in order after the shellacking the Wheatvale teacher and parents relay team gave the Karara team.

Upcoming Sports Days

Karara State School will again be heading to Wheatvale next Friday for it’s half day events. The 800 meter’s and the High Jump will be run that day to determine who be nominated for the Hamilton Oval meet.

Preps will be staying at school for that half day while the intermediates and seniors head to Wheatvale.

The Hamilton Oval sports day will then feature the remainder of the school participating in events similar to the Wheatvale Sports Carnival.

Starlab booked!

The Starlab has been booked for October 27th. It will feature a cosmodrome for the students as well as a nighttime session where parents will have the opportunity to gaze at the stars with their children through some amazing telescopes.

Well Done Karara Athletes!

Students of the Week this week are:

Amy Whear
and
Tia Osman

Congratulations!

P&C President: Sandy Osman

Thanks!

Thanks to all the parents who came out to support our school on the sports day! It would not have been a success without you. And well done photography crew!! You pulled off some amazing shots of the students in action.

Please don’t feel bad about our devastating loss in the relay. Use it as motivation for next year. Remember it when Mr. Pedley is putting you through his strength and conditioning program in preparation for next year’s race!

School Surveys

Each year Education Queensland undertakes a survey of parents/caregivers, students and staff to guage their satisfaction with important aspects of schooling. The results of this survey will help the school evaluate and reflect on how well the school is going, and to identify future areas for future development.

Your response is completely confidential. You have a choice of filling out a paper form that is to be returned to the school in the sealed envelope provided or fill out the survey online. In either case results will immediately forwarded to DETE central office for analysis. Thank you in advance for your participation.
