Karara State School's P&C has decided to hand over their Tuckshop duties to the school’s Project Club. While Kerry Wilson has generously offered to stay on as the Project Club’s convener, she has also offered to help the Project Club manage the stock and finances. All profits made by the Tuckshop will go directly to the Project Club.

Excel Workshop

This week Karara hosted principals and Education Queensland employees keen to develop their Excel skills. Michelle Hanigan ran an excellent workshop and all who attended walked away with a greater understanding of the software. Various workshops such as this one will be held throughout the year in order to develop ICT skills across our small schools cluster.

Thank you to Michelle for the time she spent preparing and running the very beneficial workshop.

Edible Garden Project

Karara State School has been contacted and asked to participate in the Toowoomba gardening show schedule for this Easter break. The school will be setting up a stall to showcase its amazing veggie products. Although most of the veggies won’t be ready to be put on display, the school stall will feature pictures from start to finish and how the gardens have developed throughout the process.

When a date for the display is finalised, I will pass the information on for those who are interested in coming to the show and having a look.

School Grounds

Karara State School P&C has decided to differ on the garden funding this year. Given how busy members of the community are and how few families we have left at the school, keeping the grounds kept up to a reasonable standard was unattainable.

The school will now begin sourcing different grounds care options and will release information as it gets it regarding the process.

While the process is taking place, the school would appreciate any assistance offered from members of the community.

Students of the Week are:
George Benham
and
Josh Wilson
Super Sandwich Time!
The Year Ones created a Super Sandwich today! As part of their Technology and Health component of the curriculum the Year Ones had to design and create a sandwich for themselves. Some of the designs looked very interesting yet strangely delicious. In any case it has been a great unit and the students have enjoyed it immensely!

Project Club
The Project Club have scheduled a couple of fun days before the end of term. On March 22nd, the students are invited to come to school with a crazy hair do. On March 28th the Project Club is hosting an Easter Egg Hunt.

The Project Club would ask for a gold coin donation for each day should you choose to participate.

Mobile Library
The Mobile Library that visits Karara State School every two weeks on the Wednesday is considering canceling the visits to Karara. The reasons for the possible discontinuation is the lack of interest. There has been a significant drop in borrowers over the last year. If you would like to retain the mobile library services, please come down and support it every second Wednesday between 9-1030am.

Old News Worth Reading Again
Freestone Trivia Night
Freestone Trivia Night Sat 16th March Freestone State School P&C are having their annual Trivia Night fundraiser on Saturday 16th March. Book your teams in now!
