Have a Great Easter!

**Easter Break**

I hope all the students, staff and parents enjoy their Easter break. I am sure the students will have a very special visit over the holidays from the big bunny and come back to school with some stories to tell.

Thank you to all of the students of Karara State School for coming to school and giving it their all over the first term. They have worked hard and deserve to celebrate their achievements over the break with heaps of chocolate and fun! I am looking forward to seeing them back at school after the break ready to go for some more schooling in Term 2.

Another massive thank you goes out to all the staff at Karara State School. To the cleaner, teachers, administration officers; you all do a phenomenal job and contribute to a amazing educational environment. I highly doubt there is a more capable staff in the Southern Downs region and the students are lucky to have you. Your devotion and compassion for student improvement and wellbeing is testament to your character. Keep up the great work!

Thank you to the parents and careers for supporting your child's education at home. We have a great group of driven students at the school and that is due to your diligence at home. I look forward to continuing working together with you to improve the outcomes of your child.

Have a great Easter break!

**Halogen Young Leaders Day**

Karara State School Leaders enjoyed a great conference in Brisbane yesterday. Our leaders were treated to very inspirational and motivational speakers who shared the message of their leadership journey's. Our student leaders came away with some great leadership tips that they will use this year leading our student body.

**TV Celebrity!**

As part of Karara State Schools edible garden program Tia Osman was selected to represent the school in a cook-off at the Toowoomba show Friday, April 12. Tia appeared on channel 9 news last night as she had a practice cook with the chefs she will be working with at the show. Tia will again appear on Better Homes and Gardens when she joins the chefs on stage at the show to cook-off against other students from the area. Keep your eyes peeled for Tia appearing on a TV near you!

The school will have a garden stall displayed at the Toowoomba show and would love to see you drop by!

---

**Students of the Week are:**

Josh Wilson and Jacob Davis
Community Newsflash

See website for information or to contact the club.
Warwick football - where everyone gets a fair game.

Annual Catholic Debutante Ball

Traditionally, Catholic students in Year 3 are invited to be Flower Girls/Page Boys for the Annual Catholic Debutante Ball. This year the Ball will be held on Friday 24th May 2013 at St Mary's Hall.
If your daughter and/or son is interested in being a Flower Girl/Page Boy, please contact the Parish Office on 4661 1033 or stmaryswck1@bigpond.com by 5th March, 2013.
Should more than the required number express interest in this matter, names will be drawn from a hat to determine who will fill these roles.

Old News Worth Reading Again

Super Sandwich Time!
The Year Ones created a Super Sandwich. As part of their Technology and Health component of the curriculum the Year Ones had to design and create a sandwich for themselves. Some of the designs looked very interesting yet strangely delicious. In any case it has been a great unit and the students have enjoyed it immensely.

Mobile Library

The Mobile Library that visits Karara State School every two weeks on the Wednesday is considering canceling the visits to Karara. The reasons for the possible discontinuation is the lack of interest. There has been a significant drop in borrowers over the last year. If you would like to retain the mobile library services, please come down and support it every second Wednesday between 9-1030am.
