ANZAC Ceremony

What a lovely day to honour the ANZAC men and women who made the ultimate sacrifice for our country. It was nice to see the many community members who attended our ceremony to commemorate this significant event. John Greacen and Jim O'Leary joined the ceremony representing the Warwick RSL and gave a moving and heartfelt speech on our ANZAC heroes.

The students behaved admirably and did a fabulous job speaking during the ceremony. They should be proud of their contributions to the ceremony. It was also great to catch up with all of the community members after the ceremony over tea and coffee. Thank you all for supporting the school in the various ways you do. The school's staff and students are better for it.

Woolworths Earn and Learn

Karara State School is again participating in the Woolworths Earn and Learn Program and we need your help! Karara State School benefitted greatly from your generosity last year and ended up with some wonderful new gear for the kids to use. We would greatly appreciate that generosity again this year! There is a box in our school’s lobby where cards or stickers can be dropped. You can drop it off yourself or give it to a school family to send with their children. Every sticker counts as we try to outdo our count from last year. Thanks in advance, on behalf of the staff and students for your help!

Our Sympathies

The Karara Community would like to extend our deepest sympathies to the Conroy family and friends on the recent tragic death of Niomie. Our thoughts are with you as you say farewell and grieve your loss. As a past student Niomie will be remembered. May she rest in peace and may you find strength and comfort with the memories you share.

Mobile Library
The Mobile Library that visits Karara State School every two weeks on the Wednesday is considering canceling the visits to Karara. The reasons for the possible discontinuation is the lack of interest. There has been a significant drop in borrowers over the last year. If you would like to retain the mobile library services, please come down and support it every second Wednesday between 9-10:30am.
