Second Annual Bake Stall a Success!

**Bake Stall**
Karara State School’s second annual Bake Stall was a massive success. The students spent most of the day on Thursday baking their tasty treats for the Saturday Bake Stall. Based on the success of last year’s Bake Stall the students prepared extra goodies, doubling up on the quantity of goods baked from last year. It was a good strategy as the Bake Stall again sold out of the majority of baked goods it had prepared. All money goes to the Project Club which is saving up to buy the school a new CD Player. The CD Player will replace the school’s existing one which has been consistently malfunctioning during Monday Assembly.

Thank you to all the people who bought goods from the stall to support the students’ Project Club. Thank you also to the Karara Campdraft for supporting the second annual Bake Stall.

The final thank you goes to Tia Osman who manned the Bake Stall all day with Mr. Pedley and did some great selling on behalf of the Project Club!

**Karara Enters Movie Competition**
Karara State School Students have entered a competition with ICT Classrooms to produce a movie trailer. The winner of the competition, hosted state wide, will win iTunes vouchers for students involved in the project.

The students have been busy planning their Trailer and when the finished product is completed it will be published on the website for viewing.

**iPad Integration**
The school has begun to heavily utilise their iPads to assist in the instruction of reading, phonemic development, sentence building and spelling. The Year ones have an hour devoted each week in their schedule to use the devices to enhance their learning. The school has purchased a bank of apps that will extend in class teaching and reinforce concepts in the Australian Curriculum.

**Mothers’ Day**
Karara State School students and staff would like to wish all the mothers’ in the community a happy Mothers Day this weekend. The students have been busy at school preparing a Mothers’ Day gift that will be sure to impress.

Thanks to all the mums who work hard each and everyday. We appreciate all that you do!

**Old News Worth Reading Again**

**Woolworths Earn and Learn**
Karara State School is again participating in the Woolworths Earn and Learn Program and we need your help! Karara State School benefitted greatly from your generosity last year and ended up with some wonderful new gear for the kids to use. We would greatly appreciate that generosity again this year! There is a box in our school’s lobby where cards or stickers can be dropped. You can drop it off yourself or give it to a school family to send with their children. There is also a box in at the Warwick Woolworths for stickers. Every sticker counts as we try to outdo our count from last year.
Thanks in advance, on behalf of the staff and students for your help!
