Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Implementing CARS and STARS as school wide reading intervention program and incorporating into weekly literacy blocks.
- Implementing Lexia Reading Core 5 which addressed the 6 pillars of reading, including Phonological Awareness, Phonics, Structural Analysis, Fluency, Vocabulary and comprehension. Each student averaged an increase of 3 learning levels.
- ICT’s were incorporated including digital platforms (iPad, iMacs) for Lexia Reading and PAT testing was completed online which allowed quick reviews to help identify students learning gaps which informed teaching direction.
- Staff Professional Development of 6 Pillars of Reading including PM Benchmarking and How to Teach Reading.
